SCHOOL SPIRIT

For the September 1977 issue, PLAYBOY took its "never-ending search for truth, beauty and the American way" to college campuses for the first time. Photographer David Chan's inaugural tour of Big Ten universities proved successful and launched another signature PLAYBOY feature. In the years since, we've paid visits to our country's other institutions of higher learning, from the Pacific 10 Conference to the Atlantic Coast Conference and everywhere in between. We've met Red Raiders and Blue Devils, Nittany Lions, Tigers and Bears. This Playboy Special Collector's Edition is a celebration of our decades spent going back to school and the coeds everyone wanted to sit next to in the lecture hall.
